MEMO FOR T.N.P. - Discrepancies to be straightened out.

Teddy Carpender saying that he met Harry Carpender Sunday morning and went to the Hall house with him. Harry and Daisy say they started for Spring Lake not later than 9.30 and were there all day.

Henry Stevens says Mr. and Mrs. Gorsline accompanied the Halls to Lavalette on June 23rd to see about the choir boys' camp. Gorsline thought he had not seen Mrs. Hall more than to say how-do-you-do to between the winter of 1921-22 and September 14, 1922.

Mrs. Klatz back says in S.S. young church, in early  
spring or summer of 1922, at a dance, she sat beside Mrs. Mills  
asked why she didn't dance, Mrs. M. said. See who is at the  
door? Did he kill her if I dance. Mrs. K. looked & saw Mills  
the door.
